Online Program Price List 40% GM

MIS has its own storefront where your customers can order products directly. We will supply you with a link and a group code that your customers will use to order and pay for products. At the end of your fundraiser, we will summarize all orders placed under your group code, and send one bulk wholesale shipment to the location of your choosing. Your organization will be responsible for distributing individual orders.

Note: **Taxes are charged on your final invoice and are eligible for rebate by CRA under non profit return.**
